Recommendation on a move of the Cross-Cultural Studies program at the University of Alaska Fairbanks to the Alaska Native Center

The Cross-Cultural Studies program at the University of Alaska Fairbanks is currently housed in the Fairbanks Community Center. The program is a multidisciplinary program that includes students from a variety of disciplines including anthropology, history, literature, and art. The program is currently housed in the Fairbanks Community Center, which is a building that is not well suited for the program. The program is currently housed in the Fairbanks Community Center, which is a building that is not well suited for the program. The program is currently housed in the Fairbanks Community Center, which is a building that is not well suited for the program.

The program is currently housed in the Fairbanks Community Center, which is a building that is not well suited for the program.
