The simple way
to file your US
Nonresident
Federal & State
tax returns.

What documents and information might I need to have available when preparing my tax forms?

- ✔ Passport
- ✔ US entry and exit dates for current and all past visits to the US
- ✔ All income forms: Final payslips, W2 forms, 1042-S and/or 1099
- ✔ Visa/Immigration Status information, including Form I-20 (if applicable)
- ✔ Social Security Number (SSN) or Individual Taxpayer Identification Number (ITIN). If you do not have an ITIN, Sprintax can help you get one!
- ✔ If you are using Sprintax for State tax return(s) preparation only, you will need a copy of your already prepared Federal tax return (for the current and previous years, if you filed any)
