

# The 2004 Yearbook

## Introduction

Dear Friends,

It is a pleasure to

present to you the

2004 Yearbook.

We hope you will

enjoy it as much

as we do.

Thank you for your

continued support.

Sincerely,

John Doe

President

Secretary

Treasurer

... computer-assisted image processing. Alaska Native  
... Biology (PSY 195) explores Native social systems, re-  
... and education as they relate to individual

ligion,

edth.

And yet, where would we be in RAH!

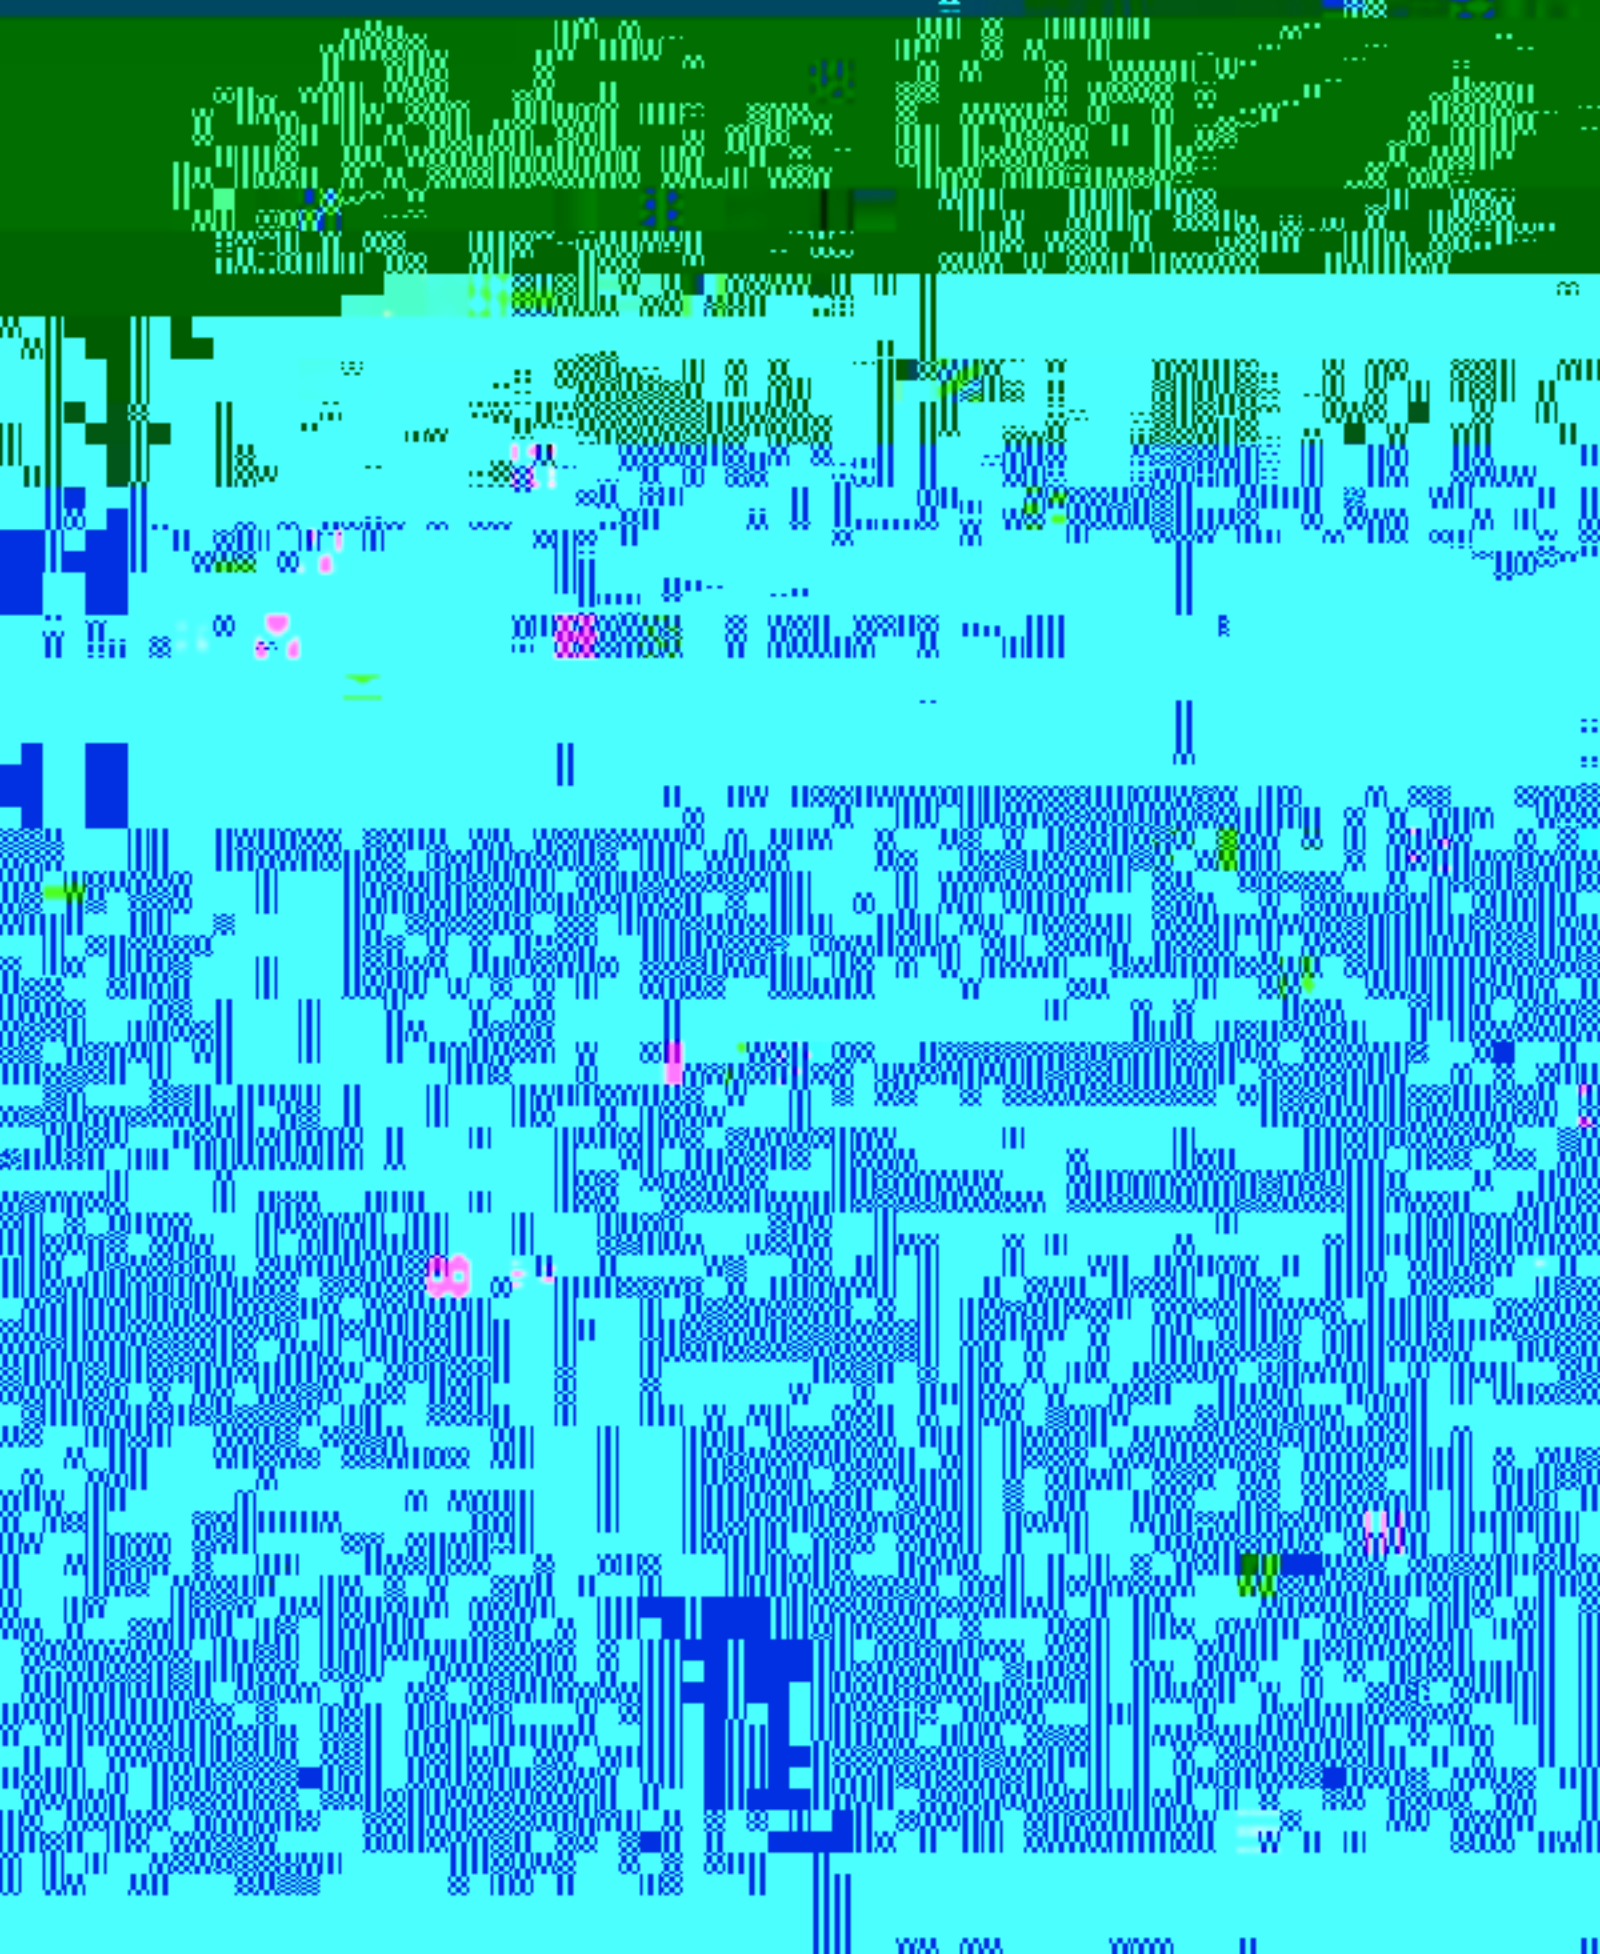

Figure 1. Schematic representation of the experimental design. The trials were presented in a 2 × 2 × 10 design.

Each trial started with a fixation cross (0.5 s), followed by a target (0.5 s), and then a response period (1.5 s).

The feedback was presented immediately after the response period (0.5 s).

The feedback was either 'Correct' or 'Error' (red 'X' or green 'X').

The feedback was either 'Correct' or 'Error' (red 'X' or green 'X').

The feedback was either 'Correct' or 'Error' (red 'X' or green 'X').

The feedback was either 'Correct' or 'Error' (red 'X' or green 'X').
