GOVERNANCE AGREEMENT

for the

Division of Infrastructure, Sustainability and Energy Board

Between the Associated Students of the University of Alaska Fairbanks (ASUAF), UAF Administration,
Office of Student Services, Office of Sustainability, Faculty Senate, and Staff Council
November 2010

Preamble

In order to promote investment in energy efficiency programs and renewable energy projects, to develop opportunities for students in sustainability projects, and to provide direction to the decision-making authority for the use of Student Initiative for Renewable Energy Now (SIREN) fees, we do hereby establish the ASUAF Review of Infrastructure, Sustainability and Energy board, at the University of

Sustainability Director will facilitate dialogue and campus-wide programs that build upon UAF's commitment to sustainability and be a liaison to the larger community outside the university.

Article IV
Agreements

The priority use of the SIREN funds will always be for investing in energy efficiency programs and renewable energy projects.

Approved by the Board of Regents on November 2010
