**QUESTION**

1. A company's financial statements are audited by an independent auditor. The auditor's report states that the financial statements are presented fairly in all material aspects. However, the auditor's report also states that the company's internal control system is weak. This is an example of a **qualified opinion**.

2. A company's financial statements are audited by an independent auditor. The auditor's report states that the financial statements are presented fairly in all material aspects. However, the auditor's report also states that the company's internal control system is weak. This is an example of a **qualified opinion**.
