SAMPLE BYLAW/CONSTITUTION AMENDMENT

=====

The following was passed at the March 5, 2010, Faculty Senate Meeting #165:

MOTION :

The UAF Faculty Senate moves to amend the Bylaws of the University of Alaska Fairbanks Faculty Senate, Section 1, Article III: Membership, subsection C.1 (page 14). This amendment addresses the procedure for election of representatives from research institutes to the Faculty Senate.

EFFECTIVE: Fall 2010

RATIONALE: The current Bylaws are written with the assumption that the research institutes will not qualify for separate representation on the Faculty Senate. Instead, they are grouped into a "conglomerate group." The Bylaws specify that elections for Faculty Senate representatives for the research institutes are to be held by the Senate office. This provision is reasonable because there is no central organization or administrative office for such a collection of research institutes. However, several research institutes are now large enough for separate representation on the Faculty Senate. Each of them has the same organizational ability to run internal elections as the academic units have. This amendment removes the assumption that research institutes will not have separate representation, and specifies that all individual units represented on the Faculty Senate, i.e., research institutes as well as schools and colleges, are responsible for their own elections and election procedures. The Senate office will continue to have responsibility for elections by any "conglomerate groups."

C. Election Procedure

Election shall be CONDUCTED by the REPRESENTED [academic] units, or BY the Senate office for ANY CONGLOMERATE GROUPS, [the research institutes] to provide representatives to the Senate according to Article III of the Senate Constitution. Elections and election procedures are the responsibility of the units, subject to the following:
