

MOTION:

The UAF Faculty Senate

Affirmative

UAF is committed to student success and academic achievement. We expect you to adhere to the class attendance policies set by your instructor.

General Absences: If you miss class, you must notify your instructor in writing by the first Wednesday of each semester in which the absence will occur. Some departments drop students without approval for the absence.

UAF-Sanctioned Absences: If you are scheduled to miss class in an official capacity (e.g., NCAA Championships), you must notify your instructor in writing by the first Wednesday of each semester in which the absence will occur. The notification must include the signature of a UAF school official.

Instructors are encouraged to discuss with students who miss class an official UAF recognized absence. Instructors are encouraged to discuss an alternative to the second Friday of the month. Your faith effort you and your instructor will be successful in the end.

Effective: Spring 2017

Rationale: Due to scheduling, the meeting will be held on Monday instead of a Thursday. This change will ensure that students have five business days to notify their instructor of their participation in official UAF recognized activities.

President, UAF Faculty Senate
