
TEXTBOOK ADOPTION

Seeing an entire selection could mean you get a better idea of what you're getting. It's a good idea to see the books in person, if possible, or at least to see them online. This way, you can see the quality of the books and the quality of the authors' work.

TEXTBOOK VALUE:

As additional steps that you can take to

ensure that you're getting the best value for your money, consider the following:

Are used books available for students to purchase?

Are there any discounts or special offers available? For example, some publishers offer discounts to institutions that purchase in bulk.

Are there any additional resources available, such as online materials or access to digital content?

TIMING IS EVERYTHING!

Do you have enough time to review the books before the adoption deadline? It's important to start the adoption process early, so you have time to review the books and make any necessary changes.

Adopt what you'll use, and use what you adopt. When adopted

books are not used, they can be a waste of money. Make sure you're adopting books that you'll actually use in your course.

Are there any deadlines for adoption? It's important to know the deadline for adoption, so you can make sure you have enough time to review the books and make any necessary changes.
