Amber commented that her office has not been allowing advocates because of the current UAF policy,

It was noted that the courses for the Art History minor are taught by one faculty person (term instructor). The approval signatures denote there is commitment to offer the minor at the program and college.

The committee approved sending both minors to the Faculty Senate for a vote.

b. Meeting duration

Cathy commented that meeting business could be accomplished in one hour. Due to time constraints and meeting adjournment, there was no further discussion.
