III. Changes to the FDAI team

We discussed holding a Faculty Forum from the School of Education to the coming year and member.

IV. Report from Joy

Joy reports that there have been many well attended social events for new faculty getting on the ground that there are several more planned and that our new faculty are

working hard to get on the ground. She also reports that the new faculty are very happy and

sessions. Joy noted that SOE faculty did not attend the session last Friday on Blackboard pedagogy despite requesting the session. After some discussion it was discovered that
