Staff Council Communications Committee
Minutes, March 5, 2012

Motions/Discussions:

Suggest a discussion of how best to address communication of SC Meeting summary to be sent out to all staff after SC meetings. (Would there be one person or a committee, would there be an approval process before they are sent, and would they be sent to reps to be forwarded on or directly to Unit lists,

Feedback from constituents

Perhaps a Google Form can be created for staff feedback. The link to the feedback form could be put into listserv emails and other communications from Staff Council and representatives. Example of questions could be asked:

1. What staff issues or concerns would you like to see Staff Council address?
2. What questions do you have for Staff Council?

Please compile some ideas for relevant questions to be placed in a Google Form.

Intercollegiate Athletic Council March 2012 Report
Britton Anderson Representative

Nominations for Student Athletes of the Year have been submitted by IAC members. A follow up meeting is on the horizon to meet with finalists and select the winners.

UAF Master Plan Committee Report - Gary Newman

The Master Plan meetings' notes are posted at <http://www.uaf.edu/mastplan/committee/meetings/agendas/2011-2012/> . The most recent meeting had a presentation on the Outdoor Recreation and Terrain Park, discussion about traffic flow once the Life Sciences Building is complete, and the West Ridge Deferred Maintenance Renewal plan now being developed.

The next meeting is March 29, 2012.

Secondly, more employees than we had anticipated opted for the High Deductible Health

plan (HDP), and concurrently an unexpected number of employees waived coverage entirely. The net effect of these two decisions was a smaller pool in which to spread costs.

~~QUESTIONS WILL BE AVAILABLE AFTER MARCH 15 AT WWW.AKADK.SUENOVORILL.~~

If you have any questions, please feel free to contact me at donald.smith@alaska.edu.
